ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC

Name of the Institution: Dronacharya College of Education, Rait, District Kangra, Himachal Pradesh 176 208.

Name of the Head of the Institution : Dr. B.S Bagh
Ph. No. Office : 01892- 20285 **Residence :** 01892-247363

Name of the IQAC Coordinator : Mr. Parveen Sharma
Ph. No : 01892-238591 **Mobile :** 9418563328

E-mail : dronacharyahp@gmail.com

Year : July 2010 - June 2011

Introduction:

Dronacharya College, established in 2006, is a private, self financed, non-aided educational institute managed by **OCEAN Society**, affiliated to H.P University Shimla. The college has 200 seats in B.Ed course and recognized by National Testing Service-India, Ministry of Human Resources and Development, Govt. of India as a Regional Field Unit for the school level in Himachal Pradesh. The college has state of the art infrastructural facilities which are designed to cater to all the needs of the students. It is housed in a spacious, pollution free campus of over 15 kanals.

Dronacharya College believes in inculcating the philosophy "*Where knowledge is created, not just communicated.*" The College aims at imparting life-long learning and provides a learner centric rather than teacher- centric educational process.

Vision:

Dronacharya envisions to nurture and train pupil-teachers with ethical values, vibrant knowledge and professional skills, so that they become a useful instrument in the national development and peace.

Mission:

Total commitment to excellence in education and research with holistic concern for quality of life, environment and ethics , To engender this, Dronacharya has a passionate, enthusiastic, innovative and dynamic work force where in individual has been chosen on the basis of his/her talent and aptitude irrespective of age & designation.

PART - A

The Plan of Action Chalked out by the IQAC in the Beginning of the Year Towards Quality Enhancement and the Outcome Achieved by the End of the Year

The IQAC has been continuing its efforts for quality up gradation of the institution. At the beginning of the session, IQAC had taken some steps to enhance the academic and other activities of the institution.

Beginning of the Session with Holy Yagna & Pooja

Steps Taken to Enhance Quality of the Institution:

- Enhancement of infrastructural facilities to raise the quality of teaching and learning.
- Recruitment of more teaching and support staff.
- Mobilization of more internal resources.
- Expansion of our outreach activities.
- Encouragement & support to research activities in the College.
- To organize faculty enrichment programmes.
- To tie up with different colleges for inter-college programmes and schools for placement of trainees and practice teaching programme.
- To review the curricular structure and to devise innovative teaching method.
- To cover more institutions and provide community service to a wider population.

- To improve the library services, and increase library resource to computerize the cataloguing system of the B.Ed. library and in general to encourage and cultivate the reading interest amongst the trainees.
- To continue to encourage sports and other co curricular activities and ensure greater student participation in those.
- To strengthen the Placement Cell of the College.
- To form various committees and clubs to enhance the students participation.
- Focus on personality development of the students.
- To organize Parent-Teacher Association for the department.
- To interact with the college Alumni Association and make efforts for the formation of a separate Alumni Association for the department.
- Spoken English course for students to improve their communication skill.
- Wider views and article in the College magazine *Lakshay*.
- Use of latest ICT resources in teaching learning process like LCD projectors etc.

Outcomes Achieved by the End of the Session:

- IQAC encouraged the practice of collecting and analyzing student's feedback three times a year i.e (at the beginning, mid-session and at the time of exit of the students).
- Mentoring system cater to diverse needs of students in the college.
- Faculty members of the college have initiated action research during this period.
- By providing necessary books and study materials, the faculty members have been keeping personal contact with the learners.
- LCD projectors are used to make learning more interesting by promoting the use of ICT in teaching-learning process.
- A well furnished language lab is operationalized to make the students improve their listening and spoken skills.
- Art and Craft centre has been set up to showcase the creative, intellectual and aesthetic sense of the students.
- To meet the requirements of needy students, the College has started a book bank and all library records and students' details have been computerized.
- Frequent use of the OHP, LCD, Multimedia, Cassettes and CD's make teaching learning process more attractive and more effective.

- Co-curricular activities are an integral part of education and they ensure harmonious development of an individual. Activities such as debates, quiz competition and other literary & cultural activities are frequently held for the students. Inter College Declamation Contest is an annual event of the College.
- Workshops, Conferences, Guest lectures, Seminar and Educational tours strive to widen intellectual horizon of the pupils. The College prepares professionals who are equipped with required skills and competencies to meet the challenges of the competitive world.
- Community welfare activities such as Tree Plantation Drive, Blood Donation Camp, AIDS Awareness Drive and Cleanliness Campaign with the help of Rotaract Club, Parent-Teachers Association, Alumni Association, NSS, Rover & Ranger club and Red Ribbon Club are organized from time to time.
- The Career Guidance Cell of the college has been displaying information in the notice board regarding prospective career and job opportunities.
- Extension Cell and Women Cell have been extending their activities to a large extent.
- News-letter of the College which records the important events of the College has been published at regular interval.
- The whole some development of the professional students is taken care of through yoga and enlightened talks by the renowned personalities. A well designed auditorium having seating capacity of 200 persons with all new technical equipments is the main highlight.
- The alumni as well parents of the students have been extending their support as and when sought for.
- The College magazine "*Lakshay*" is published every year to give expression to the creativity of the students.
- As a part of participatory management different committees as well as different cells comprising of faculty members have been re-constituted for smooth functioning of the activities.
- To improve the personality and communication skills of the students, College has initiated a Personality Development Programme.

PART- B

1. Activities reflecting the goals and objectives of the Institution:

- The various stakeholders come to know about our vision & mission and the cherished values through our handbook, annual magazine, annual day function and through our website. It is also displayed on the Notice boards.
- We motivate students to participate actively in various social activities such as NSS Camp, Cleanliness drive, Literacy drive and other intra and inter collegiate competitions.
- We organize Talent search programme to find out about the special talents of our students at the beginning of the year and efforts were made to nurture it.
- We carried out a well-planned and well-organized community work programme jointly with Rotaract Club, Rover and Ranger Club and District Aids Awareness Society.
- Students conducted co-curricular activities in their practice-teaching schools during their internship. This helped in sensitisation towards our socio cultural and democratic values.
- Guest lecturers were organized to acquaint students with the values health, fine arts and environment related issues.
- Students were encouraged for the participation in various inter-collegiate competitions of dance, drama, elocution, poster making etc. Our students have made us proud by winning prizes at various events. This helped them in gaining confidence and in cultural development.
- Systematic inputs were given to them through lectures, visits, discussions, seminars, demonstrations, tutorials for the intellectual development.
- Every year the College forms a Students' Council which is elected democratically. This helps in strengthening the democratic values as well as in enhancing the cooperative spirit, leadership qualities, creativity, confidence, pro-activeness, etc.

2. New academic programmes initiated (UG and PG):

The College offers only one academic programme i.e. B.Ed. The College has applied for M.Ed. in the Month of September 2010 and expecting to introduce it with the next session after approval from the affiliating authorities.

3. Innovation in curricular design and transaction:

Faculty members of the College always try to apply new ideas beyond the limit of prescribed syllabus in curriculum design and its transaction with the students. The innovations in curricular design and transaction of the department include the following: discussion & dialogue method, seminar mode of teaching by students under the supervision of teachers, remedial teaching, team teaching, school co-curricular activities and personality development classes.

4. Interdisciplinary programs started:

The interdisciplinary approach is encouraged in the teaching of various courses. The compulsory papers that the students are taught have an inter-disciplinary thrust. The College magazine 'Lakshya' is the collaborative effort of students.

5. Examinations reforms implemented:

The college follows the examination norms formulated by the Himachal Pradesh University. There is a uniform set of mandatory practices legislated by university which the College is required to follow. The internal evaluation system was regularized and the marks were sent to the parents. Nevertheless the College has initiated some steps to improve academic standard i.e. Class Tests, Assignments, Unit Tests, Terminal Examination, Question Banks, Lectures on how to prepare for exams, Presentation skill, Lectures on how to manage your time during exams, Power point presentations etc.

6. Candidates qualified: NET/SET/ GATE etc. :

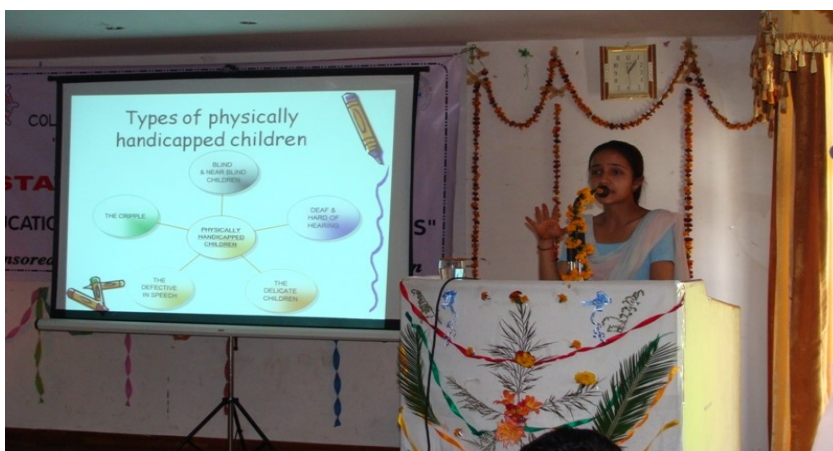

No student from the institution has qualified in the NET/SET/GATE exams during the session as we have only graduate students studying in B.Ed. Course.

7. Initiative towards faculty development program:

The College administration has been motivating the faculty members to participate in national seminars, workshops on relevant topics and encouraging them for pursuing research work. Enrichment programmes and departmental presentations on new and innovative topics are also carried out by the College. Orientation programme being organized for the faculty members to widen their knowledge horizon.

8. Total No. of Seminars/Workshops conducted:

- Dronacharya College of Education organized a State level seminar on "Education of Children with special needs" on 18th March, 2011.
- A three day Art of Living workshop for students and faculty was organized in the college.

Student presenting her views during State level seminar on "Education of Children with Special Needs"

Students in Art of Living workshop

A Guest Talk to enrich the students with noble thought

9. Research projects:

Nil

10. Patents generated, if any:

No venture undertaken in this regard.

11. New collaborative research programmes:

Nil

12. Research grants received from various agencies:

Nil

13. Details of research scholars:

College has yet to start Master's Course (M.Ed).

14. Citation index of faculty members and Impact Factor:

Nil

Books Published by Faculties:

Sr.No	Name of the books published	Course
1.	Mr.Anish Korla Ms.Charu Kaushal	Communication skills
2.	Mr Parveen Sharma Mr.Sumit Sharma	Teaching of Mathematics

15. Honours /Awards to the faculty:

The college has initiated an Annual Best Teacher Award and Best Club award to acknowledge the contribution of the good teachers. The sustained efforts and hard work of teachers have won the college coveted 'Himachal Kesari Award' for its commendable works in the field of Education in the session 2010-11.

Managing Director Sh. GS Pathania with Himachal Kesari Award
(3rd from left in front row)

16. Internal resources generated:

As this college is a self financed, resources are generated through the regular fees approved by the Himachal Pradesh University.

17. Details of departments getting SAP, COSIST (ASSIST) / DST. FIST etc. Assistance/recognition:

Under process and initiated.

18. Community service:

- Dronacharya National Service Scheme Survey conducted a survey to collect health information from the neighbouring village under extension work. This helped in developing the insight about the problem faced by them people. This made them feel more responsible towards their social obligation.
- College started a computer literacy program for the computer illiterate women from nearby villages. About thirty six women have attended these classes for one month and have benefited immensely from the program.
- A three day 'Art of Living' workshop was organized in Dronacharya College of Education, Rait. About sixty students and staff members of the institution participated in the workshop. Practice of 'Sudarshan Kriya' was the highlight of this workshop.
- The Dronacharya Red Ribbon Club staged an Aids Awareness Skit named "*Banti, Aids Does Not Spread Like This*" at Main Bazaar, Dharmshala. The Red Ribbon Club has also organized activities such as Kite Formation, Collage Making and a Mega Canvas depicting the message of Aids Awareness.

A scene of Community Lunch in the College

Community Service by NSS Unit

Mega Canvas made by Red Ribbon Club on AIDS Awareness

19. Teachers and Officers newly recruited:

Ms. Reeta has been appointed as a lecturer in Education for Teaching of Maths.

20. Teaching – Non – Teaching staff ratio:

Teaching staff including Principal	:	15
Non-teaching staff	:	7

21. Improvements in the library services:

- A computerized Public Access System enable students/faculty to access the availability of a specific resource in the library.
- College has Book Bank scheme under this scheme the needy students have to apply for the book bank scheme. Library is providing all subject books prescribed in the syllabus. The books are issued to the students for the academic year or semester. No extra fees or deposit taken under the book bank scheme from students.

22. Number of new books /journals subscribed and their value:

- Number of Books purchased : 950
- Number of Journals subscribed : 03
- Total (Rs.) : 3, 78,215.00

23. Number of courses for which student assessment of teachers is introduced and action taken on student feedback:

Student assessment of teachers is introduced in B.Ed course. Questionnaires prescribed by NAAC are supplied to the students. These are analyzed by the Feed Back committee and then conveyed to the respective teacher or department concerned for further improvements.

24. Unit cost of education:

- Unit cost of education (Including the salary component) : Rs. 21220.00
- Unit cost of education (excluding the salary component) : Rs. 14915.00

25. Computerization of administration and the process of admissions and examination results, issue of certificate:

Office was computerized integrating the salary and admissions. The tasks of admission process such as maintaining details of prospective students, short listing as per the norms, displaying merit lists, confirmation of admission etc. are fully computerized. College certificates are issued on printed sheet. On the other hand, College authority is planning of complete computerization of the office during the current academic session.

26. Increase in infrastructural facilities:

The Infrastructural facilities increased as follows :-

- New furniture is added to the Library.
- Internal road is improved.
- Renovation of language resource centre.
- Purchased additional desk & bench for students.
- Roof extension

27. Technology up gradation:

Photostat machine, WiFi Internet connectivity, Fax Machine, Increasing the number of computers, launching and updating of own website etc. Use of LCD for power point presentation in the class room is the major technology up gradation.

28. Computer and internet access and training to teachers and students:

The campus was made Wi-Fi enabled with round the clock broadband connectivity and 15 new computers were added to the computer lab. The extensive use of computer by the faculty and students is an indication of the good computer savvy environment of the college.

Students in the Computer Lab

29. Financial aid to students:

Financial aids in the form of scholarships were offered to the students of ST/SC/OBC categories of the college. In addition to this, the College authorities sympathetically considers the economically disadvantaged students and facilitate such students in getting admission in the college. The College authority also helps the students to take the benefit of the bus travel concession.

30. Activities and support from the Alumni Association:

Mr. Sumit Sharma Lecturer of the College is General Secretary of the Alumni association. A micro teaching competition was organized under the guidance of alumni association. A State level Seminar on the "Education of Children with Special needs" was organized by Alumni Association. Some alumni in their individual capacity were involved in academic activities. Delivering talks, sharing knowledge and information with the students and teachers or extending help in different programmes reflects the emotional bonding of some of the alumni with the college community.

31. Activities and support from the Parent – Teacher Association:

Sh. S.C. Dhiman was elected as the President of Dronacharya Parent Teacher Association and Mr. Anish Korla as its General Secretary. In Parent –Teachers meet, respective teachers, discussed about the attendance, performance, behavior & career prospects of their ward. Parents were also free to discuss some personal or financial problems. Parents also gave their feedback, comments, and suggestions and were satisfied with the response of the organization. Academic Awards in Annual Prize Distribution Function was sponsored by Dronacharya Parent Teacher Association.

32. Health services:

The health centre is established in the Sports Room of the College. It consists of First Aid facilities. A team of the doctors provided voluntary services as per the need/demand. Moreover, Free Medical Check up camps, AIDS Awareness programmes, Blood Donation Camps, Blood Group Check up Camps, is carried out by the College. Hygienic condition of the college canteen has been regularly monitored.

A Blood donation Camp

33. Performance in sports activities:

Our college realizes the significance of sports and encourages its student to take part in these activities. Students of the college took active part in Inter House and Inter College Sports Competition particularly during Athletic Meet and excelled in various events such as races, high and long jump, volleyball and badminton.

Students participating in Sports Meet

34. Incentives to outstanding sportspersons:

Award is given to the Best Athlete (Boys and Girls) in Athletic Meet. The fifth Annual Athletic meet was organized on Feb 2011. Sandeep and Neelam were adjudged as

best athletes. They were awarded a trophy and a certificate during the annual prize distribution function.

35. Student achievements and Awards:

- In the B.Ed session (2009-10) Ms. Sunaina Walia topped the HP University Examination and bagged 1st first position in the University.
- In the B.Ed session (2009-10) Ms. Swati Dogra stood 3rd in the HP University Examination and bagged 3rd position in the University.
- In Inter College Cultural Competition at Gyan Jyoti College of Education, Rajol, Indu Bala stood first in fancy dress competition while Monika was adjudged the best in solo dance competition.

- Our girl students participated in the State level Inter B.Ed Colleges Tournament for women in Volleyball and Badminton.

Ms. Sunaina Walia, Topped the HP University B.Ed Exam & receiving her Cash Award of Rupees 11,000

Ms.Swati Dogra, Third Position in the University exam & receiving her Cash Award of Rupees 5,000

36. Activities of the Guidance & Counselling Cell:

The counseling unit provides proper guidance and support in studies as well as personal and career guidance. Students with serious personal problems were advised to take the help of the college counsellor. Every teacher of the B.Ed department is required to provide counselling and mentoring to the students in various subjects and activities.

37. Placement services provided to students:

One of the teachers of the department is the Co-ordinator of the Placement Cell of the College. Apart from this the department provides the students with information about the vacancies in various educational institutions by displaying the advertisements on the notice board. Placement Drive is also organised from time to time.

38. Development programmes for Non – Teaching Staff:

For performing official works, computers are provided to the non – teaching staff. The bearers of various departments are trained to use the departmental computers.

39. Healthy practices of the institution:

- Placement cell for students is an important initiative of the college. Placement officer maintains close liaison with potential employers.
- Grievance Redressal Cell of the college takes care of the grievances of the students. A 'Khula Darbar' is organized for the students to voice their grievances and immediate solution is provided.

- Book bank facility is provided to poor and deserving students.
- A Holy Havana is performed on the commencement of new B.Ed. session.
- Guidance and Counseling cell provides career and personal guidance to the students.
- Self- Appraisal is practiced by the staff. Feedback is collected from the students for the improvement of program and facilities.
- The management regularly monitors the performance of the institution by holding review meetings and suggests measures for maintenance.
- Community oriented activities such as AIDS awareness programme, blood donation camp, tree plantation drive are organised through Red Ribbon Club, NSS and they inculcate among them a sense of civic response.
- A communication skills, soft skills and personality development Programme specially tailored made for the rural students to improve their communication skills.
- Extensive use of modern teaching aids such as OHP, LCD, power point presentations are made.
- Regular extension lectures, workshops, seminars add to the extension dimension of the college.
- Employees Provident Fund is provided for the welfare of the employees.
- The College has active alumni association, which takes interest in the activities of the college and also helps in mobilizing resources.
- The college magazine "Lakshya "is published every year. It is a student's initiative to give expression to their thoughts & feelings in it.
- College organises cultural events, sports and games events, debates, dance/music competitions, teaching skill competition, model making competition etc. from time to time.
- Parent-Teachers Association of the college undertakes community centered activities.
- College prepares academic calendar at the beginning of the academic year.
- Regular Morning Prayer and assembly are organized to develop social, moral, spiritual and intellectual values among students through topics, G.K. discussion. It reminds the motto "*Where knowledge is created not just communicated.*"
- College has established as a Regional Field Unit by National Testing Service-India, MHRD, Govt. of India for improving the evaluation procedure of Indian languages.
- Beautification Committee attends to the maintenance of the campus.
- Student teaching process is visually recorded and replayed for purpose of assessment.

- College has well equipped classrooms, air-conditioned seminar hall, E.T lab, language lab, Science lab, Social Science lab and Psychology lab.
- Involvement of the maximum number of staff in academic and administrative matters through various committees.
- Complete absence of ragging in the campus.
- Women cell attends to the problems of the female students.
- Several co-curricular activities are conducted for the dynamic growth of its students and faculties.

40. Linkages developed with National/International, academic/Research bodies:

The College is a Regional Field Unit of National Testing Service-India, a subsidiary of Central Institute of Indian Languages – Mysore under MHRD , Govt of India.

41. Any other relevant information the institution wishes to add:

- More number of students of the college excelled in academic as well as in other extra-curricular activities.
- A functional NTS Regional Field Unit in the college for secondary school level.
- Due to the rigorous efforts of faculty members the college has been nominated for International Red-Ribbon Award.
- Faculty is undertaking Spoken English Classes for the students.
- The College magazine “Lakshay” is published every year to give expression to the creativity of the students. It provides opportunity to the students to express themselves.

PART - C

Detail the Plans of the Institution for the Next Year (For the year 2011-12)

- The college has aimed to strengthen the number of books in the library.
- To initiate research activities.
- To start M.Ed. Course in the institution.
- To form an external advisory committee.
