- ✓ Implement Holistic education at their own level

➤ **Suggestions for constructive improvement of Two days webinar next time**

- ✓ Timing: More time to attendees to interact with Technical session Panellists
- ✓ Webinar should be for Seven days instead of two days.

**CONCLUSION OF SUGGESTIONS :**

1. Teacher's need to upgrade themselves with changing scenario and should not stick to the traditional way.
2. Proper sensitization of rural schools to catch up with their urban counterparts.
3. Taking into confidence all the stake holders i.e. the management, teaching staff, students and parents.
4. It should be implemented keeping in mind that the poor and vulnerable should also get the equal kind of education.
5. Train the teachers effectively and making the administration to facilitate the process.

6. Teachers must be given adequate orientation programme.
7. At school level the language selection should be based on zone or inter-zone.
8. Digital learning sessions must be essential for faculty.
9. School students must get 10 bag free days in a year during which they should be trained or exposed to vocation of their choice
10. More attention should be paid on refining skills of children rather than just emphasizing upon academic.

➤ **OUTCOME OF TWO DAYS WEBINAR**

- ✓ NEP is a positive step towards nation building and has a strong vision of shaping the youth towards skilled and job oriented.
- ✓ Vision of NEP effectively discussed with all the attendees so that they can put this in practice.
- ✓ NEP really brings more institutional and teacher autonomy but institutional changes (structural) and teacher's skill up gradation is must.
- ✓ Teachers have to be ready to play greater role in future and role of teacher in context of NEP has been discussed.
- ✓ The implementation of vocational & Professional education in more extensive way and with use of multidisciplinary education results increase GER ( gross enrolment ratio)
- ✓ All the key points or suggestions received from participants/delegates related to effective implementation of NEP further presented to State Higher education .
