EXPENDITURE (IF ANY)

Nil

SUGGESTIONS

- High Speed Internet connectivity to be introduced to avoid connection loss.
- Arrangements must be planned beforehand with programme layout support teachers ,requirement of laptops ,tripod etc.

- Orientation on respective topics i.e. syllabus, internship and simulation should not be covered in a single day.
- Google paid version must be purchased to accommodate more than 100 students.

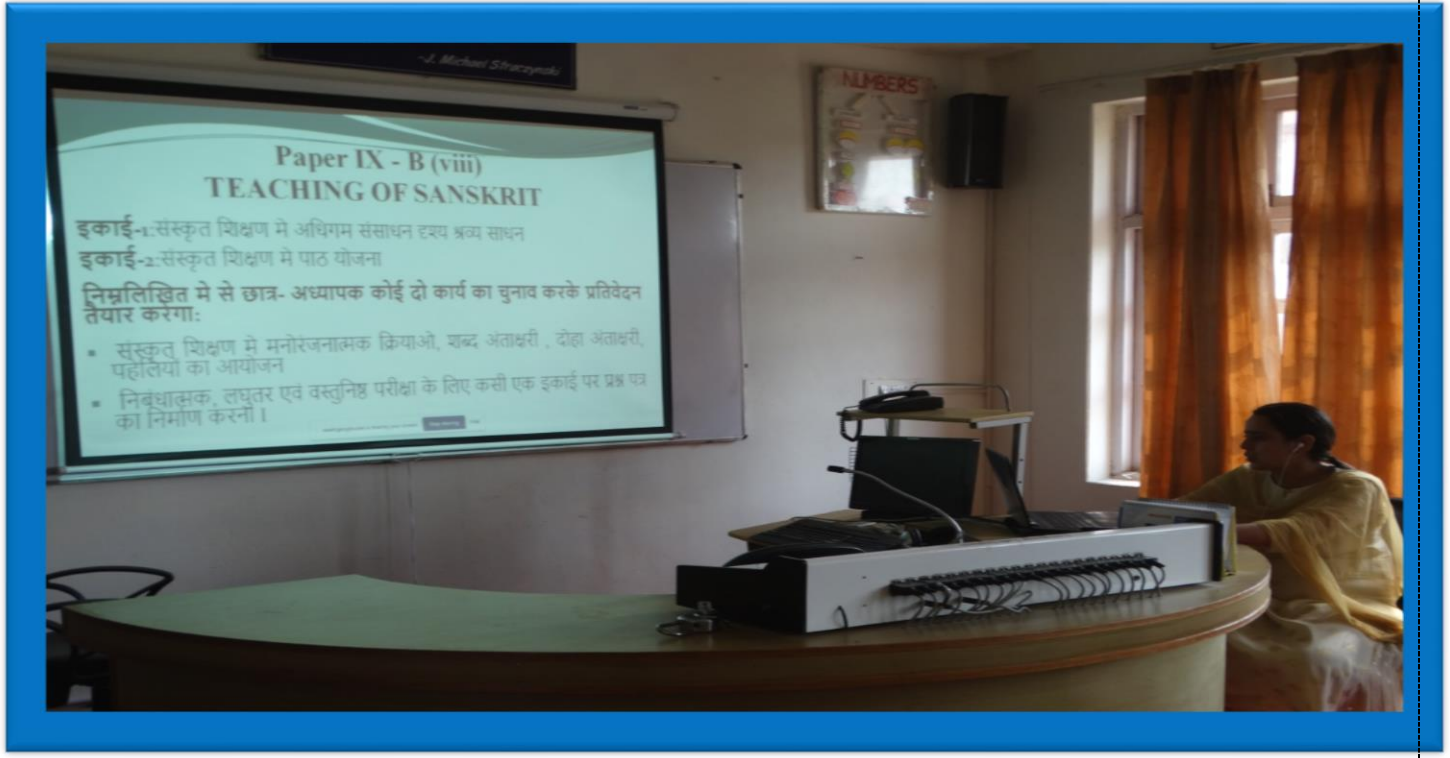

OUTCOMES

- The orientation provided guidelines to the students of third semester about the syllabus, internship and simulation.
- The orientation sensitized students about their role and responsibilities during online classes, internship and simulation .
- The orientation facilitated understanding of students as well as teachers about the effective use of online media for teaching -learning transaction i.e. Google meet platform.
