## **ABOUT MANTHAN CLUB:**

- Manthan Club is basically constituted for management professionals to meet the professional need of BBA students. It organizes activities to inculcate the quality of managerial and leadership skills among students which enhance their managerial skills and ready them for this competitive and challenging market.
- Manthan Club, which is exclusively for BBA students and every student who admits in BBA becomes a member of this club.
- MANTHAN Club understands the very importance of management skills, especially its role in today's scenario. So, this is an effort of our club to help you make at least one step ahead in this "important field".
