**Outcomes of the Seminar:**

y

- Pupil teachers analytically express their views on relevant theme in this seminar.
- During seminar students learn about various skills related to presentation and preparation of concerned theme.
- Life skills, communication skills and confidence developed in pupil teachers during and after this webinar
- Students got an opportunity to express their ideas related to concerned topic with analytical and critical point of view.

**Observations and Suggestions:**

1. Time duration set for the delivery of presentation was not strictly followed so in near future time duration should be taken in priority.
2. Technical training about how to write a research paper, how to make an effective PPT should be given to the students in near future.
3. The Seminar should be for 2 days in future.
