Alumni Association Session (2024-25)

Suggestions About College	About Activities
Confidence level increase	Curriculum should be less
Well equipments in social science labs	More interaction with renowned personalities
Well equipments in science lab	Group discussion should be increased
Expressive of talents	The time duration should be less
Time duration of B.Ed. Session was wonderful for enhance the teaching skills .	Improvement in personality of the students Stage Fear of the students decreases.
Policies letter for teachers & students	
E.T lab should have more Computers Psychology lab instrument was very importance to know the personality and intelligence of the students.
