BCA Orientation Session Report

Date: 12 July 2025

Venue: SVN Hall

The BCA orientation session was held today to familiarize new students with the academic environment and expectations. The session featured presentations from key faculty members and library staff.

Library Orientation by Mr. Sunil, Librarian

The session began with Mr. Sunil, the librarian, presenting a comprehensive overview of the library rules and resources. He highlighted the importance of maintaining a quiet and conducive environment for studying and research. Mr. Sunil also introduced the students to

the library's collection, including books, journals, and digital resources. He demonstrated how to access and utilize these resources effectively.

English Subject Briefing by Asst. Prof. Anish Korla

Following the library orientation, Asst. Prof. Anish Korla briefed the students on the English subject. He introduced himself and shared his teaching approach, emphasizing the importance of communication skills and literary analysis. Prof. Korla outlined the course structure, assessment methods, and expectations for student participation. He encouraged students to ask questions and engage actively in class discussions.

Mathematics Subject Briefing by Asst. Prof. Atul Rana

Asst. Prof. Atul Rana then took the stage to brief the students on the mathematics subject. He introduced the key concepts and topics that would be covered in the course, highlighting the importance of mathematical reasoning and problem-solving skills. Prof. Rana outlined the course structure, assessment methods, and expectations for student participation. He emphasized the need for regular practice and encouraged students to seek help when needed.

The orientation session provided valuable insights into the academic expectations and resources available to BCA students. The presentations by Mr. Sunil, Asst. Prof. Anish Korla, and Asst. Prof. Atul Rana helped set the tone for a productive and engaging academic journey. The students left the session with a better understanding of what to expect and how to make the most of their time in the program.

□ Student Reflections

Many students expressed excitement and appreciation for the structured sessions, stating that they now felt more confident and better oriented to begin their classes. The real-life examples and interactive delivery made the sessions highly engaging.

✓ Conclusion

The 3-day Orientation Programme concluded on a highly positive and energetic note. With meaningful academic exposure, inspiring speeches, and clear expectations set, the students of Batch 2025–28 are now ready to embark on their educational journey with **confidence, clarity, and curiosity**.

"Orientation is not just the beginning of a course; it's the beginning of a transformation."
