## OBJECTIVES OF THE EVENT

The objective of this event is to document and highlight the key aspects, outcomes, and educational significance of the Group Discussion cum Brainstorming Session organized by the Training, Development, and Placement Cell of Dronacharya PG College of Education. The report aims to:

- Provide an overview of the event's purpose and structure
- Showcase the range of topics discussed related to business, artificial intelligence, and management
- Acknowledge the contributions of resource persons and participants
- Emphasize the role of such sessions in enhancing students' critical thinking, communication, and professional readiness

## RESOURCE PERSONS

The session was graced by the esteemed presence of:

- **Dr. B.S. Pathania**, Executive Director – Chief Guest and Resource Person
- Mr. Anish Korla, Assistant Professor – Resource Person
- Mr. Nishant Choudhary, Assistant Professor – Moderator and Coordinator
- Ms. Meghna Pathania, – Training & Placement Officer (TPO)

## Themes & Topics Discussed

The event featured dynamic and highly relevant themes, encouraging critical thinking and collaboration. Some of the key discussion areas included:

### Business & Innovation

- Artificial Intelligence in Business Operations
- Digital Transformation: Challenges & Opportunities
- Entrepreneurship in the Digital Age
- AI Applications in Business Decision-Making

### Artificial Intelligence

- AI Adoption: Trends, Barriers & Future
- Ethics and Efficiency in AI-Driven Decision Making

## Management

- Strategic Thinking in the Digital Era
- How Technology is Shaping Modern Management

## Student Engagement & Impact

Students from various departments enthusiastically participated, showcasing:

- Excellent communication and presentation skills
- Logical reasoning and problem-solving approaches
- Thought-provoking insights and a futuristic mindset

Their active involvement highlighted the importance of such sessions in shaping **career readiness, confidence, and critical thinking**.

## Conclusion

The **Group Discussion cum Brainstorming Session** at Dronacharya PG College was more than just an event—it was an experience. It inspired curiosity, encouraged dialogue, and emphasized the importance of being informed, adaptable, and visionary in today's competitive world.

Through such initiatives, the college reaffirms its mission to **foster innovation, leadership, and holistic development** in its students.

## OUTCOMES OF THE SESSION

- **Enhanced Awareness and Understanding**  
Students gained valuable insights into current trends in **business, artificial intelligence, and management**, particularly how AI is transforming industries.
- **Development of Critical Thinking**  
The discussion encouraged students to think critically and analytically about real-world challenges such as digital transformation, strategic decision-making, and population-related issues.
- **Improved Communication and Presentation Skills**  
Participants enhanced their **public speaking, group interaction, and idea articulation** skills—essential qualities for academic and professional success.
- **Promotion of Innovation and Creativity**  
The brainstorming format encouraged out-of-the-box thinking, with students proposing creative solutions to modern challenges in entrepreneurship and technology.
- **Industry-Relevant Exposure**  
By discussing contemporary issues and opportunities in AI and business, students bridged the gap between classroom learning and real-world application.
- **Collaborative Learning Environment**  
The session fostered a **spirit of teamwork**, mutual respect, and active listening, which are essential soft skills in professional settings.

- **Career Orientation and Motivation**

Interaction with resource persons and faculty helped students understand the **skills and mindset required in the corporate and tech world**, inspiring them to focus on their career goals.

- **Institutional Recognition**

The successful conduct of the session reinforced the college's commitment to academic excellence and student development, enhancing its image as a proactive educational institution.

**Number of Students Participants: 94**

**VENUE:**

SVN Hall

Dronacharya P.G. College of Education Rait, Kangra, HP
